

Thank you all so much for your help and assistance during our time in Phuket.

You are all amazing, so helpful and attentive, nothing is ever a problem or too difficult to organise.

It was a pleasure working with you all.

From even before we arrived you were making sure things were sorted out and even with the difficulties of COVID you made everything run smoothly.

I am sorry that this thank you has taken so long to be sent, we left in such a hurry and have been dodging storms on our way to the Maldives that I haven't had chance to get to writing it.

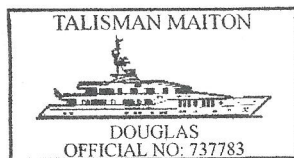

When TM comes back to Thailand I really look forward to working with you again.

All the best and please stay safe and healthy.

With kind regards

Rob
