We used Gordon and Jojo to look after Lionheart during our visit to Thailand in early 2019. Without doubt, the APS team are one of the most conscientious and hardworking yacht agents I've come across - they are quick, efficient and simply manage to get the job done and done well.

We threw many challenges at them during our two month stay in and around Phuket and all were met and resolved without issue. Provisioning, customs, immigration, travel, guides, guest logistics and crew support - all dealt with the least fuss and the best results.

If you're planning to visit Phuket and need the best shore support from a warm and knowledgeable team, then there's no need to look further than APS. I look forward to working with Gordon and his first class team next time we are in beautiful Thailand.
