To whom it may concern:

Please accept this letter as a recommendation for Gordon Fernandes and his entire team at Asia Pacific Superyachts. APS was our Agent and many times, our guide, for our owner's trips during our extensive cruising throughout Indonesian and Thailand.

APS is an all-around professional group of folks with an amazing array of skill sets. Their local knowledge of logistics, customs and clearance regulations, anchorages, dive locations, beaches and too many to list adventures was priceless and sincerely appreciated. Their get things done attitude helped us out many times when we were in a difficult situation.

APS are true team players, always willing to help when needed, day or night and was a real pleasure to interact with.

We would recommend and rehire APS anytime.

Please feel free to contact me anytime if you'd like additional information.
