RE: Thanks for your shore side support

18 March 2017

Dear Gordon and the team

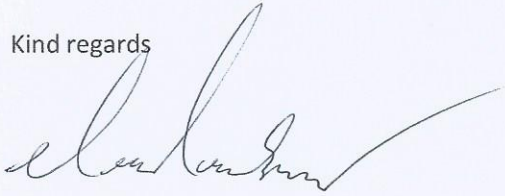

I would just like to express my thanks to you and your team of professionals for the superb help you offered over the past fourteen months while we have been in Thailand.

I have used agencies worldwide and your service has exceeded my expectations in every way. From technical issues, importation of goods, sourcing, guest liaison, formalities to a host of other equally important services, Asia Pacific Superyachts Phuket have ensured that the crew and guests of Triple 8 were always taken care of in the best possible manner.

I am grateful for the outstanding "can do" attitude of each member of your staff, the confident and polite manner in which they performed their duties to make our stay in Thailand completely trouble free. You have a great team, thank you to each and every one of you.

I look forward to using your services again in the future and will be recommending you highly to any boat planning to visit the SE Asia region.

Kind regards

Captain Nick Maccrossan
