Vertigo contracted Asia Pacific Superyachts to act as our agent in Thailand and I cannot speak highly enough of Gordon Fernandes and his team.

As a very busy yacht operating on a tight time frame, I require that logistics, correspondence and provisions are handled in a rapid and concurrent manner. I am happy to say that Asia Pacific Superyachts acted with integrity, professionalism and exceeded my expectations in every task I asked them to perform.

I would highly recommend Gordon, Toby and the team to any yacht visiting Thai waters.

Yours Sincerely,

Shane Quinlan  
Captain  
S.Y. Vertigo
