Asia Pacific Superyachts – Koh Samui

We visited Koh Samui on board Vertigo and nominated Charlie Dwyer from Asia Pacific Superyachts – Koh Samui as our agent. I had met Charlie on previous occasions while he was captaining Yanakee II so knew he would understand our needs and also knew nobody that would know Koh Samui and the surrounding islands better than him.

His understanding of Thailand and the needs of a superyacht from a captain's perspective is invaluable and very welcome after just visiting China, Vietnam & Cambodia.

Charlie and his team proved to be extremely efficient and competent. There was never a need to explain what we wanted he just seemed to understand perfectly and have a simple solution to any request. Charlie was always very upfront and honest to work with and never tried to put a glossy edge on the reality of a situation!

The owner, guests and ourselves had a wonderful time in the Koh Samui area not only for it's beauty but also due to the excellent service Charlie and his team gave us.

I'm very confident to recommend Charlie & Asia Pacific Superyachts to any yacht visiting Koh Samui.

Faithfully,

Barry de Kock
Captain S.V. Vertigo
