YACHT HELP FIJI

SY Nirvana Formentera appointed Yacht Help Fiji to act as the vessel's Agent during our stay in Fiji.

From arrival on 22 April to the time we departed on 20 June, the owner and staff of Yacht Help Fiji have had a "Can make it happen" attitude and provided us with outstanding levels of service.

We have occasionally presented them with difficult tasks on tight deadlines. The resilient and dedicated staff has ensured these challenges have always been met and fulfilled.

We have cruised the Fiji islands extensively. The comprehensive local knowledge that has been provided by Yacht Help has been accurate and invaluable. This has made our cruises easy, educational and fun.

Our owner and guests have flown in & out of Fiji several times. Yacht Help have ensured Immigration and arrival formalities have been effortless and efficient.

I have no hesitation in recommending Yacht Help to other Super Yacht captains planning on visiting Fiji.
